FOR IMMEDIATE RELEASE

Caltrans to close westbound Foothill Freeway (I-210) connector to Del Mar/California Blvd. exit for tunnel upgrades

PASADENA – Starting Monday, Oct. 30, the California Department of Transportation (Caltrans) plans to temporarily close the westbound I-210 (Foothill Freeway) connector to the Del Mar Boulevard and California Boulevard exit for tunnel upgrades.

The closures are from 11 a.m. to 7 p.m. daily (excluding weekends) and will continue through November.

During the closures, crews will install permanent lighting to enhance visibility.

The closures are subject to change based on the progress of the work.

Detour signs will be posted, but motorists may experience delays and should plan ahead.

The closures are part a \$148.5 million pavement rehabilitation project for a 9.7 mile section of I-210 from the La Crescenta-Montrose area of Glendale to Pasadena.

The project started in Spring 2015, and is scheduled to be complete in Summer 2018.

For more details about the I-210 pavement rehabilitation project, visit the Caltrans District 7 project web page at <http://www.dot.ca.gov/d7/projects/details.php?id=45>.

Caltrans reminds motorists to be “Work Zone Alert” and “Slow for the Cone Zone.”
